Dear Parent/Carer

Year 2 are planning to visit Pets at Home in Washington to link with our current topic of ‘Are we all animals?’

The trip will consist of learning about how care for animals and meet their basic needs such as providing the correct food and shelter. We will have a workshop from some of the animal experts and learn about how the animals adapt to their surroundings.

Please inform us if your child has any allergies we need to be aware of – if we do not receive any additional information we will assume your child does not have any allergies.

As this is a local visit, we do not need further consent, however if your contact details on that day will be different from those on the school system, please can you let the office know ASAP. If you have any questions, please do not hesitate to contact me.

Yours sincerely
